

Centennial Trail HOA Board Meeting

June 25, 2009

Present: Andy Edmondson, Karen Vogt, Gail and Dick Smith (John Kloor and Pete Jackson gave Andy proxies)

A special meeting was called to discuss the replacement of broken posts and railings on the trail. It was unanimous that we should persuade action with the bid discussed at the annual meeting. On Saturday, June 27, Dick Smith and Andy Edmondson will go to each homeowner with split rail fence bordering the trail and present a contract to sign and obtain a deposit to go ahead with their responsibility. With the homeowner they will mark each post needing replacement. A homeowner may include other fencing needing replacement on their property if they choose. This is not a mandatory action in any way.

The meeting was adjourned.

Respectfully submitted, Gail Smith, Secretary
