

**CENTENNIAL TRAILS HOMEOWNERS ASSOCIATION
PROPOSED ROOFING CHANGE**

8.9 Roofs: The Centennial Trails Architectural Committee (CTAC) will only approve roofs that maintain the established appearance of the neighborhood. The CTAC will define acceptable products and will review and approve or reject alternative products that meet such standards. Roof replacement proposals must be approved in writing by the CTAC prior to contracting for installation.

The following is not part of the motion.

Attachment:

The **CTAC** has approved the following list of products as acceptable roof replacements:

1. Concrete/wood composite, i.e., Permatek, Fireshield
2. Alcoa Aluminum
3. Asphalt/fiberglass shingles (the 40-year profile)
4. Concrete tiles (Pioneer Tile, Lifetile or Barr Tile)
